25X1 5. [] - JSW) Everard Smith, Jr., Chief Counsel for the Senate Aeronautical and Space Sciences Committee, came out to the Agency for lunch and a tour of the building. [] and the Office of Security cooperated in this tour which seemed most interesting to Mr. Smith.

25X1 6. [] - GLC) Representative Armistead Selden called and asked if we had information on the following Haitians: []

[]
Selden gave me a brief statement as to his information on each of these individuals. He said he had in his office a Haitian for whom he had great respect and who had information on these individuals which he could provide us. His contact has indicated concern that on or about the 15th of May something serious would take place in Haiti.

After reviewing Biographic Register summaries on these individuals, I advised Selden that in general our information was along the same lines as his, but that I would be pleased to arrange for his contact to be interviewed by our people. Selden said that since his first conversation with me, he talked with the Attorney General (because of his contact's concern regarding the 15th of May) and the Attorney General has made an appointment for Selden and his contact to see Secretary of State Rusk Monday morning.

Selden then identified his contact as []

[]
asked if we had information to the contrary if we would let him know. All of this has been discussed with Mr. [] DD/P

25X1 7. [] - JGO) Advised by Mrs. Mary Miller, Senate Preparedness Investigating Subcommittee staff, that hearings will resume on disarmament on Wednesday, 15 May, at 10:00 a.m. with []
25X1 [] as a witness. [] OSI, has been advised. []
